ALL DEALERS:

Subject: KF Spotlight Mirror - Part No. 100300

We are pleased to announce the addition of a Spotlight Mirror to our KF Accessory line.

This new 4" outside rear view mirror is designed for mounting on the Spotlight body, and is interchangeable on either right or left hand Spotlight.

In addition to the usual ball-joint adjustment, the setting of the mirror can be made by turning the Spotlight handle to the desired location. With the Spotlight Mirror installation, adjustment is made from inside the car, making it unnecessary to open the window to change the position of the mirror.

This new Mirror should also help you to sell Spotlights with the Mirror mounted, as the dual utility of Spotlight and Mirror combined should appeal to car owners.

Below we are giving you complete ordering information, together with the suggested list and your net prices:

<u>Part No.</u>	<u>Name</u>	<u>Suggested List Price</u>	<u>Dealer Net Each</u>	<u>Dealer 4 or more</u>
100300	Spotlight Mirror	\$3.75	\$2.45	\$2.25

PRICES INCLUDE FEDERAL EXCISE TAX AND SUBJECT TO CHANGE WITHOUT NOTICE

Installation can be made either before or after the Spotlight is installed on the car in not to exceed  $\frac{1}{2}$  hour.

Spotlight Mirrors are available now from your distributor. Place your order with your distributor today for your initial requirements of this new accessory.

Sincerely,

Manager, Parts and Accessories Div.
